

Dear colleagues and friends,  
Ladies and Gentlemen,

The **Undiagnosed Diseases Network International** is happy to announce its **11<sup>th</sup> Conference** taking place on **November 07-08, 2022, in Vienna, Austria** hosted by the Ludwig Boltzmann Institute for Rare and Undiagnosed Diseases together with the Medical University of Vienna. Please note that the event will be held **hybrid**. This will allow attendees to participate **in-person** or **online**.

**The agenda will address**

- Inborn errors of immunity
- Inherited bone marrow failure syndromes and rare hematological diseases
- Rare dermatological diseases
- Rare neurological diseases
- Rare gastroenterological/intestinal diseases
- Rare metabolic diseases
- Genetics and bioinformatics approaches to rare diseases
- Model systems for the study of rare diseases
- Precision medicine approaches for rare diseases

**Abstract submission** for the conference is **open from September 1, 2022 until October 16, 2022**.

**Abstract Details:** 400 words; 6 slides if selected for oral presentation. Talks will be about 6 minutes, with detailed instructions to follow upon acceptance of individual abstracts.

**Formatting:**

- i. Title
- ii. Presenting author
- iii. Abstract details (400 words)
- iv. Contact email
- v. Institution name
- vi. Submitted in English

**SUBMISSION is open now!**

Please send your abstract **by email to:** [udni.vienna2022@wma.co.at](mailto:udni.vienna2022@wma.co.at)

All information related to abstract submission, **conference programme**, and **registration** can be found on this page: <https://www.udninternational.org/>

**Registration (free of charge)** - Registration for ONSITE participation is open to a limited number of subscribers! Please register online: [ONLINE REGISTRATION](#)

In case of any questions please contact our organizing office: [udni.vienna2022@wma.co.at](mailto:udni.vienna2022@wma.co.at)

We look forward to welcoming you live or virtually to our conference!

With best regards

**Univ.-Prof. Dr. med. Kaan Boztug**
